

Important Account Information

To Newnan Country Club Membership:

Over the last couple of years we have seen a growing trend of members allowing their bill to go past 60 days before remitting payment. While we understand that times are tough, this trend is putting the Club in a cash flow crunch to meet our obligations. As two examples... 1) when payday comes, we must issue paychecks to our loyal employees; 2) when some vendors/suppliers deliver, i.e. beer/wine/liquor, payment is due immediately. For NCC, delaying payment to our vendors for 60+ days is not an option.

To hopefully resolve this issue, The Board Of Directors has passed the following regulation for accounts over 60 days past due:

- Any member account that is 60 days past due will be changed from "Active" to "Charging Denied" status for all purchases until said account is current. Members in this status will need to pay cash for club purchases.

In an effort to properly communicate this change and give any potentially affected members some time to plan accordingly, The Board will put this regulation in effect on April 1st, 2011. This is the first of several communications on this crucial subject.

The Board is taking this action to preserve the financial stability that we presently enjoy. We appreciate your understanding and cooperation. If you have any questions on this matter please contact the main office.

From the Superintendent

The weather is finally getting better, and the golf course is responding. The greens have come out of dormancy and are doing very well, and we have no new bad spots. We've recently trimmed a lot of shrubs and are fixing some of the sandtraps. It's going to be a busy Spring!

our membership better. We have been spreading the word about our call-ahead policy. We are requesting that you please call ahead for groups or steak dinners in the Grille.

To be good stewards of your resources we hand-cut a limited amount of steaks each day. We keep track of sales and try to project weekly based on history but we need your cooperation. Obviously steak is a short shelf-life item and we do this to eliminate waste. If you will call ahead we will make sure that you are accommodated 770-253-3668.
